7.1 Jurisdiction

- (a) Subject to section 7.1(b), the Disciplinary Committee has jurisdiction to:
 - i. issue Suspensions in respect of Red Card offences (section 7.2);
 - ii. determine any challenge relating to mistaken identity pursuant to section 7.3
 - iii. issue penalties for Team Misconduct pursuant to section 16.5 (b) i and 16.5 (b) ii
- (b) The DC shall only have jurisdiction to issue a suspension that is no greater than one (1) calendar year. A suspension that is greater than one (1) calendar year may only be issued by a Tribunal. The DC shall refer a matter to the GPT if it determines that the matter warrants consideration of a suspension greater than one (1) calendar year.

7.2 Determination

- (a) The General Manager shall, within three (3) working days of any match, refer any Match Official report to the DC for consideration and the issue of any Suspension unless the General Manager or GPT Chairperson determines that the matter requires the investigative resources of a Tribunal in which case the GPT Chairperson shall refer the Match Official reports to the GPT.

NWSF Grievance and Disciplinary Regulations

- (b) The DC must issue Suspensions based on Match Official Reports and apply the Table of Offences.
- (c) Where a Member has been found guilty of an Offence and then commits the same Offence on a second or subsequent occasion within two (2) years of the expiration of the Suspension issued in respect of the previous Offence, the second or subsequent Offence will be considered a Second or subsequent Offence for the purposes of sanctioning under Schedule 3: Table of Offences and the DC must impose no less than the applicable Minimum Suspension and should only impose more than the applicable Minimum Suspension if appropriate in all of the circumstances.
- (d) For the purposes of 7.2(c), where a second or subsequent Minimum Suspension is greater than 1 year, the DC will refer the offence to the GPT.
- (e) In the case of Red Card Offences, section 7.2(c) will apply only where the second or subsequent Offence is the same Send Off Code as the previous Red Card Offence but will apply irrespective of the grading.
- (f) The DC must take into consideration a Participant's disciplinary history when determining a Suspension.
- (g) The DC must set out any Suspension in a Notice of Suspension which shall be issued by the General Manager to a Participant's Club as soon as is practicable, namely within one (1) day of receipt from the DC and no more than six (6) days of the relevant Match if that is practically possible.
- (h) In any Notice of Suspension, the DC may determine, in its absolute discretion, the type of Football Activity to which the Suspension relates.
- (i) Notwithstanding this section 7.2, the DC may, in its absolute discretion, refer any matter to the GPT pursuant to section 8.4 if it considers the matter requires consideration by a Tribunal.
- (j) Where the DC issues a suspension that is greater than the minimum stipulated for the offence in Schedule 3, a participant, via his or her club, may appeal that sentence and such an appeal shall be referred to a GPT for determination. A participant is not eligible to appeal a suspension where the DC has issued the minimum suspension, unless the participant seeks, by credible evidence, to challenge the presumption specified in section 6.2(d).
- (k) Subject to any legal requirements, any suspension issued by the Disciplinary Committee may be published via the NWSF's website and/or other NWSF operated media including any newsletter and/or any equivalent publishing media operated by NWSF. Such publication may identify a Club and/or a team, but shall not identify individual persons by name.
- (l) Offences are punishable regardless of whether they have been committed deliberately, recklessly or negligently.
- (m) Acts amounting to attempt are also punishable. A Body may, however, reduce the sanction envisaged for the actual Offence and determine any extent of mitigation as it sees fit.

7.3 Challenging a decision on the basis of Mistaken Identity

- (a) At the end of a match, the relevant Team Official must sign the team sheet confirming that all details on the team sheet, including the attribution of Yellow Cards and Red Cards are correct.
- (b) If the Team Official believes that a participant has been mistakenly identified on the team sheet by a Match Official as having been shown a Yellow Card or Red Card, the Team Official must indicate this by endorsing the back of the team sheet.

NWSF Grievance and Disciplinary Regulations

- (c) Where the requirements set out in section 7.3 (b) were not complied with, a member wishing to challenge any disciplinary consequences arising from the attribution of a Yellow Card or Red Card from the team sheet must show reasonable cause as to why such challenge should be permitted.
- (d) Provided the requirements of section 7.3 (b) or 7.3 (c) are met, if a participant claims that he or she was mistakenly identified in a Match Official Send-off Report, the Participant's Club on the Participant's behalf must notify the DC by submitting a notification letter by e-mail for Mistaken Identity in a Match Official Send-Off Report to the relevant address shown in Schedule 2 within three (3) days of the completion of the match.
- (e) If NWSF does not receive notification by the time specified in section 7.3(a), the Participant is deemed to have been responsible for the Offence and will, subject to the DC's consideration of the incident, be issued with a Notice of Suspension.
- (f) The DC may, at its discretion, alter or rescind any Suspension issued, subject to evidence submitted at a later date.
- (g) The Participants Club must submit evidence upon which the claim of mistaken identity is founded. The details of the submission must include:
 - i. a signed and dated written statement by the Participant that he or she was not responsible for the Offence and identifying to the best of their knowledge the name of the Participant responsible
 - ii. any other evidence which may support the claim for mistaken identity.
- (h) If NWSF does not receive properly completed written statements within three (3) days of the Match, the Participant may, subject to the DC's consideration of the incident, be issued with a Notice of Suspension.
- (i) After considering the evidence, the DC will decide whether the claim for mistaken identity should be rejected or upheld.
- (j) If the DC rejects a claim for mistaken identity, it will consider the matter on the basis of the Match Official Report provided.
- (k) If the DC considers that a rejected claim for mistaken identity had no prospect of success and amounted to an abuse of process, it shall refer the matter to the GPT Chairperson, who may charge the Participant and/or the Club with Misconduct pursuant to section 8.2.
- (l) If the DC upholds the mistaken identity claim, a Notice of Suspension shall be issued to the appropriate identified Participant, who shall serve the Suspension immediately.
- (m) The decision made by the DC will be conveyed to the Participant and/or the Club via email at the earliest practical opportunity.

7.4 Challenging a Notice of Suspension - Exceptional Circumstances

- (a) This section 7.4 is intended to apply only in exceptional circumstances. It is envisaged that, in the vast majority of matters, any Suspension set out in a Notice of Suspension will be appropriate and will be applied. The provisions set out in this Section are not intended to encourage or lead to the systematic or regular review of standard Suspensions and are reserved for exceptional cases.
- (b) A Participant's Club on the Participant's behalf may, in the very limited circumstances set out in sub-sections (c) and (i) below, seek to limit the disciplinary consequences of a Suspension by demonstrating to the DC that the circumstances of a particular Suspension were exceptional, such that the Suspension which has been notified would be clearly and demonstrably excessive.

NWSF Grievance and Disciplinary Regulations

- (c) Exceptional circumstances mean circumstances operating at the time of the Offence and relating to the commission of the Offence and not the impact which a sanction may have. The following do not constitute exceptional circumstances:
- i. the significance or importance to the Participant or his or her Club of the Match in which the Offence was committed;
 - ii. the significance or importance of any Match, Fixture or tournament in which the Participant will be ineligible to participate because of the imposition of a Suspension within the range in the Table of Offences;
 - iii. the point in the Match at which the Offence was committed;
 - iv. the conduct, including actions, words or gestures of any Participant during or related to the Match; and
 - v. any disciplinary decision taken or failure to take a disciplinary decision by a Match Official during the Match.
- (d) Any Participant bringing a challenge under this section may not challenge the Offence via mistaken identity under section 7.3.
- (e) In considering a claim of this type, the DC is concerned with only the question of whether the Suspension should be altered in view of the circumstances of the case. The DC is not to usurp the role of the Match Official and the correctness of any decision to issue a Red Card shall not be subject to any scrutiny by the DC
- (f) If a Participant wishes to lodge a challenge to a Suspension based on exceptional circumstances, the Participant's Club must, by 10.00am on the Monday following receipt of the Notice of Suspension, submit a notification to the appropriate email address as listed in Schedule 4.
- (g) If the DC does not receive notification as prescribed and by the time specified, the Participant is deemed to have accepted the Suspension.
- (h) After considering the evidence, the DC will decide whether the challenge is to be rejected or is successful.
- (i) A challenge will only be successful under this section 7.4 where the club making the challenge satisfies the DC that:
- i. the circumstances of the Suspension under review are exceptional; and
 - ii. as a result of the exceptional circumstances the Suspension would be clearly excessive.
- (j) If the DC considers that the rejected challenge had no prospect of success and amounts to an abuse of process, it shall refer the matter to the Competition Secretary, who may charge the Participant and/or the Participant's Club with Misconduct pursuant to section 8.2.
- (k) If the DC upholds the challenge, it shall impose such Suspension, if any, as it deems to be appropriate taking into consideration the circumstances of the subject incident, which revised Suspension, shall not be subject to any further challenge or Appeal.
- (l) The decision made by the DC will be conveyed to the Participant and/or the Participant's Club via email.
- (m) No fee will apply to challenges made by Clubs under this section 7.4, but Clubs should note that the DC may increase a sentence in the case of an unsatisfactory challenge where the DC deems it appropriate.

7.5 Appealing a decision of the Disciplinary Committee

- (a) Subject to sections 7.4(k) and 9.2, the decision of the Disciplinary Committee in relation to claims of mistaken identity in a Match Official Report (section 7.3) and Exceptional Circumstances

NWSF Grievance and Disciplinary Regulations

(section 7.4) may be appealed by the Participant's Club to the General Purposes Tribunal pursuant to section 9.

- (b) A Participant's Club wishing to appeal a decision to the General Purposes Tribunal must submit a Letter of Appeal of the relevant decision within seven (7) working days of receiving the decision and pay the relevant Application Fee (see Schedule 4).
- (c) The Participant's Club should note that, other than in exceptional circumstances, the time limits set out above are strict. Only a Letter of Appeal of a decision submitted before the relevant deadlines will be considered by the GPT. The GPT Chairperson, in their absolute discretion, shall rule with respect to whether any given circumstance is exceptional in this context.

8. GENERAL PURPOSES TRIBUNAL

8.1 Jurisdiction

- (a) The General Purposes Tribunal has jurisdiction to hear and determine:
 - i. charges of Misconduct and Disrepute (section 8.2);
 - ii. grievances between Members (section 8.3);
 - iii. any appeal to a Suspension decision of the DC and which has been received within the time prescribed in 7.4;
 - iv. any matter referred to it by the General Manager pursuant to section 7.2 (a)
 - v. any matter referred to it by the DC pursuant to 7.2 (f)
 - vi. offences disclosed in Match Official Reports (section 8.5); and
 - vii. any other matter the Board considers important to the interests of football in the North West Sydney Football assigned football region. Such reference is to be at the absolute discretion of the Board.

8.2 Charges of Misconduct and Disrepute

- (a) The GPT Chairperson may investigate any matter which in its opinion is relevant to whether or not a charge of Misconduct or Disrepute ought to be laid. Such investigation may be initiated on the basis of a report of a Member, a complaint by a Member or on the basis of any other evidence which in the opinion of GPT Chairperson is credible.
- (b) Such investigation may be carried out by the GPT Chairperson as it sees fit and Members are required to cooperate fully with NWSF in the conduct of that investigation and must do so within the timeframe specified in any correspondence issued by NWSF. A Member agrees that any information provided to NWSF may be used as evidence in bringing a charge under this section 8.2 and may be provided to any party so charged.
- (c) At any time, the GPT Chairperson may determine whether any charge of Misconduct or Disrepute is to be laid and in relation to such charge whether:
 - i. it is to be referred to the GPT; or
 - ii. it is to be dealt with in any other manner which the GPT Chairperson deems appropriate,and such determination shall be at the absolute discretion of the GPT Chairperson.
- (d) If the GPT Chairperson determines that a charge of Misconduct or Disrepute is appropriate, the General Manager will issue a Notice of Charge against the Member. The Notice of Charge will set out, amongst other things, details of the charge and, if necessary, the requirement for the Member to stand down (see section 13.1 (Interim Suspension Order)). A Member so charged must submit a Notice of Response to the General Manager by e-mail via the address listed in Schedule 2 by the date specified in the Notice of Charge.
- (e) A Notice of Response (section 8.2) enables the Member or Participant to, amongst other things:

NWSF Grievance and Disciplinary Regulations

- i. indicate whether the Member is pleading guilty or not guilty to the charge(s);
 - ii. indicate whether the Member accept the reports attached to the Notice of Charge;
 - iii. provide written statements or other such evidence as the Member wishes to rely on;
 - iv. provide written submissions; and
 - v. advise whether the Member will be represented by a lawyer and/or accompanied by a support person.
- (f) A Member who pleads guilty in a Response may be eligible for leniency by a Tribunal in respect of a sanction.
- (g) Unless there are exceptional circumstances (to be determined by the GPT Chairperson in its absolute discretion) if the General Manager does not receive a properly completed Notice of Response (section 8.2), together with any supporting evidence and written submissions upon which the member intends to rely, by the time specified in the Notice of Charge, then the Member will be deemed:
 - i. to have pleaded guilty to the charge(s) set out in the Notice of Charge;
 - ii. to have accepted the reports set out in the Notice of Charge; and
 - iii. to be in contempt of a Tribunal and may be sanctioned pursuant to section 12.13 (Contempt against a Tribunal).

8.3 Grievances

- (a) A Grievance will only be accepted by the GPT if sections 8.3(c) to 8.3(d) have been satisfied.
- (b) The GPT Chairperson may in its unfettered discretion decide not to refer to the GPT or to dismiss any Grievance which it determines is a Vexatious Claim.
- (c) Before referring any Grievance to the GPT Chairperson, any Member making a Claim (**Claimant**) or a Complaint (**Complainant**) must write to any other Member involved in the subject matter of the Grievance (**Respondent**) with details of the Claim or Complaint (as the case may require) allowing the Respondent at least seven (7) business days to respond. The Respondent's reply must include reasons for any disagreement with the details of the Claim or Complaint (as the case may require).
- (d) If a response is not received within seven (7) business days of the notice from the Claimant or Complainant referred to in section 8.3(c) or the Claim or Complaint is not otherwise resolved, the Claimant or Complainant may in writing refer the Grievance to the GPT in accordance with section 8.3(e).
- (e) In the first instance, a Grievance will be dealt with by mediation pursuant to section 11 unless, in its absolute discretion, The GPT Chairperson believes that a Grievance should be referred to the GPT immediately.

8.4 Referral from the Disciplinary Committee

- (a) Pursuant to section 7.2(f), the DC may, in its absolute discretion, refer any matter to the GPT if it considers the matter requires consideration by a Tribunal.
- (b) If a referral is made by the DC, the General Manager will issue the Participant with a Notice of Charge within three (3) working days of the referral and the Participant is required to submit a Response to the email address listed in Schedule 4 by the date specified in the Notice of Charge.

8.5 Offences disclosed in Match Official Reports

- (a) Unless the Board, in its absolute discretion, determines otherwise, the General Purposes Tribunal may determine Offences disclosed in Match Official Send-Off and/or Incident reports in accordance with this section 8.5.

- (h) Notwithstanding any previously listed penalties the RP may determine that RESPECT points will be applied to team(s) that are involved in on-field melees or post-match fights between players, officials or spectators.
