

NORTH WEST SYDNEY FOOTBALL - WALKING FOOTBALL RULES & ELIGIBILITY

Philosophy

- Walking Football is a non-competitive/social, low-impact, team-based exercise, utilizing the Walking Football Rules and Formats - specifically, minimal contact with players and always having one foot on the ground.
- Walking Football aims to provide participants with physical and mental health benefits, social connections, and the benefits of ongoing physical activity.
- Players are strongly encouraged to play Walking Football in the 'Spirit of the Game' to ensure the safety & enjoyment of all participants - this includes not using aggressive tactics or body contact and to use positive and encouraging comments to all players.
